DISTRIBUTION

[illegible]

25X1 1. The Soviets have constructed three wooden bridges across the Chongch'ong (Tseli) River (定清江) [?] east of Yonghyondong (130-35, 42-25). Each bridge required two months to construct. Heavy transport trucks pass over these bridges.

25X1

 Note: The Chongch'ong River is probably a small river flowing into
the Tumen River.)
